Principal's Report

Dear Parents and Carers,

As we reach the end of what has been a busy and rewarding term, I would like to take a moment to reflect on the many successes across our school community.

Last Friday's **Harmony Day celebrations** were a true highlight. It was wonderful to see our students embracing the message of inclusion, respect and belonging. The vibrant orange, shared activities and positive spirit on display were a credit to our students and staff, and a reminder of the strength we have in our diverse and supportive school community. Student council raise \$75 to pay for the fun Easter activities next week.

This week also marked the **conclusion of NAPLAN testing**. I would like to commend all our students for the calm and focused way they approached the assessments. They demonstrated resilience and perseverance, and we are very proud of their efforts.

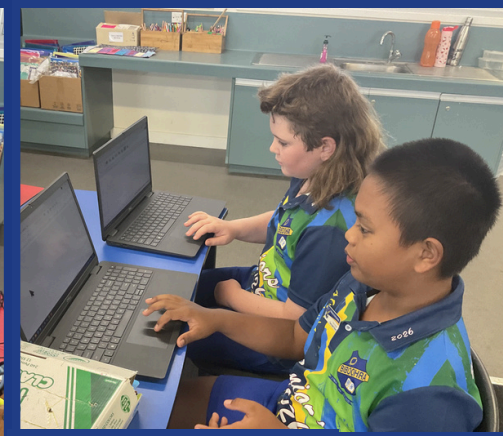

Overall, it has been a **successful and productive term**. Students have worked hard, shown growth in their learning, and contributed positively to school life. Thank you to our staff and families for your continued support in making this possible.

We are now looking forward to finishing the term on a high with our **Cross-Country event at Mt Molloy State School on the final day**. A reminder that students are to attend in **full school uniform** (not sports colours or Year 6 shirts). We encourage all students to participate and enjoy the day. Looking ahead to Term 2, please note an important date early in the term. At the end of the first week back, we will hold our **ANZAC Day Ceremony at school on Friday 24th April**, followed by the **community march on Saturday 25th April**. We warmly invite families to join us as we come together to commemorate this important occasion.

Thank you again for your ongoing support throughout the term. I wish all our families a safe and enjoyable Easter break, and we look forward to welcoming everyone back refreshed for Term 2.

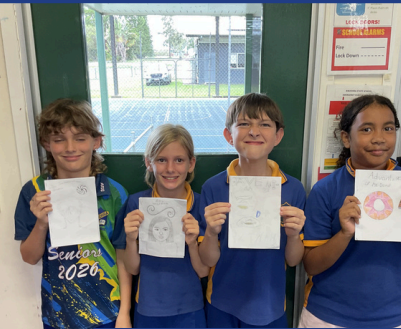

Kind regards, David King

I Caught You Winners

Student of the Week Awards

Student Council News

The Student Council has been very busy planning some great events this term.

Harmony Day was a huge success, with many students and staff wearing orange and taking part in activities throughout the week. It was wonderful to see our school community coming together to celebrate diversity and inclusion. Looking ahead, the Student Council will be running an **Easter Egg Hunt** for each class next week.

This exciting event is sure to be lots of fun, and students are eagerly looking forward to taking part.

P & C News

We are currently running a “Guess How Many Eggs in the Jar” competition for Easter, with one jar for each class.

Winners will be drawn at parade on 30th March. This is another fun raffle to help raise funds for our new playground.

We’re excited to share that we met with a landscape designer and builder last week regarding the playground project, and the discussion was very promising.

We are also in the process of applying for grants to help fund this important development for our school.

Additionally, the Queensland Government has updated the requirements for parents and guardians volunteering at school.

All volunteers are now required to hold a Blue Card. The good news is that Blue Cards for volunteers are free.

If you need assistance applying for a Blue Card, please contact the P&C—we’re happy to help.

If you already have a Blue Card, please ensure that we have sighted it.

Next term, we will be holding a Mother’s Day raffle. If you can donate items or assist in any way, please let us know—we would greatly appreciate your support.

We will also be holding a general meeting to discuss this on Monday, 30th March at 3:15pm.

Thank you for your ongoing support!
